

UNITED STATES DISTRICT COURT FOR THE
DISTRICT OF NEW HAMPSHIRE

Stephen A. Dillman

v.

Civil No. 04-cv-482-JM

Town of Hooksett

O R D E R

The court proposes to certify the following question of law
to the New Hampshire Supreme Court:

Whether, under New Hampshire law an individual
public sector union member may be assigned his
union's right under N.H. RSA 542:8 to seek a
correction or a modification of an arbitration
award entered in an arbitration conducted pursuant
to an agreement between the member's union and his
employer.

See generally N.H. Supr. Ct. R. 34. If any party objects to the
form of the question the court proposes to certify, a written
objection, along with suggested alternative language, shall be
filed on or before July 25, 2005.

The court proposes to submit to the Supreme Court, as its
statement of facts, the facts as presented in the attached
proposed ORDER OF CERTIFICATION. If any party objects or wishes
the court to supplement that statement of facts, that party shall
submit an objection and/or proposed statement of supplemental

facts by the same date. The parties should, of course, bear in mind that because defendants' pending motion is one to dismiss, the court must assume all properly alleged facts in plaintiff's verified complaint to be true.

SO ORDERED.

United States Magistrate Judge
